PHOINES ESTATE

CAIRNGORMS NATIONAL PARK

PHOINES ESTATE SCOTTISH HIGHLANDS

William Powell Sporting is delighted to be able to offer the letting of a wide range of sporting opportunities available on the Phoines Estate. Phoines is a traditional mixed Highland Sporting Estate covering some 20,000 acres of the Cairngorms National Park, offering guests fantastic opportunities to shoot a range of driven, walked-up or stalked game.

As a result of our management involvement at Phoines, we are delighted to be able to offer the most exclusive and tailor-made packages to meet all requirements. The Estate also benefits from having its own accommodation on site in the form of Phoines Lodge; a classic Scottish Lodge set at the foot of the impressive Cairngorm hills, providing the ideal location for teams to relax during their stay. The Lodge benefits from a large sitting room and a beautiful dining room, both of which are ideal for entertaining guests.

The closest airport is Inverness, which is approximately one hour's drive from the Estate and the "sleeper" train can conveniently be taken from London to Kingussie, which is a mere 10 minutes from the Estate. Otherwise car access is excellent with the A9 running nearby.

MINI DRIVEN / WALKED-UP SHOOTING

Phoines' ability to provide superb rough/walked-up low ground shooting is unrivalled, and has been described as possibly the very best low ground mini driven/walked-up shooting the UK has to offer. The Estate boasts the most beautiful and varied terrain, providing ideal habitat for a range of species and lending to a diverse range of shooting, all within the stunning Cairngorms National Park. Teams can expect a variety of target species to include; pheasant, partridge, snipe, rabbit, pigeon, and duck.

The days, which are offered from mid-October onwards, can be tailored to suit individual team requirements, but are generally set at 50 head.

The days are structured in a relaxed and informal manner, largely shaped by the client's requirements. During the day, the Guns will walk in a line and shoot game as it rises in front. Guns may also be strategically placed below a cover or thicket while the keepers flush game in a mini-driven style. There will be opportunities for the team to take short breaks during the day at their leisure.

Grouse will not be a target species offered on these days. However, if the opportunity does arise and a grouse flushes, the team is welcome to shoot them within the quoted price.

DRIVEN SHOOTING

Phoines Estate is delighted to offer a slightly more formal style of shooting in the form of a driven day. This is a wonderful opportunity for those that might wish to enjoy the spoils and challenges of driven game shooting. Phoines is fortunate enough to benefit from great topography which provides an ideal setting to present exciting driven birds. The Estate usually lets these days with the anticipated bag of 100 head, but this can of course be adjusted to meet with the teams personal requirements. Days are usually run from the Lodge with the team returning for lunch in the dining room in the middle of the day. A driven day is a wonderful way to spend time on the Estate and makes for an excellent and enjoyable addition to any sporting package.

DUCK FLIGHTING

Duck flighting is available on a number of the Estate's duck ponds. Duck flights can be included in a day's sport on the Estate and works particularly well for those guests staying at Phoines Lodge.

EQUIPMENT HIRE

The Estate is able to arrange the hire or purchase of all the equipment that may be required for your days shooting, including vehicle hire, gun hire, the purchase of cartridges and the provision of loaders/instructors. Advanced warning is required to ensure requirements are best met.

ACCOMMODATION

Phoines Lodge is a traditional, comfortable and practical Sporting Lodge with all the features a shoot party require. The facilities include a large dining room and sitting room with an open fire as well as an on-site gunroom. The Lodge has the ability to sleep a total of 19 guests in 10 rooms. The letting of these rooms is on a dinner, bed and breakfast basis, with no drinks (alcohol or otherwise) provided. Drinks must be provided by the team and can be delivered in time for your arrival.

WATCH THE FILM

We were recently joined by Jonny Carter from the YouTube channel TGS and a small team of Guns who took a duck flight, walked-up and mini driven day at Phoines. Click or scan the QR code to see the amazing range of sport on offer here, all set in some of the most stunning scenery Scotland has to offer.
